Attn: Commissioner Mignon L. Clyburn:

Dear Commissioner,

I write to thank you for coming to Manning and listening to us .I especially appreciated the honest concern you displayed and the several questions you asked.Since you represent our District number six it made us pleased that you showed a deep concern .

I would like to pose a question to you. Is it now required for the Public Service Commission to conduct a hearing on a rate increase request from a Utility, any Utility that stands in violation of the rules and/or guidelines of the Regulating Body, including issued "consent orders"?

I would appreciate your answer and also any thoughts you may have on this matter.

Thank you,

Lew Richards
